10. HOW DO I OBTAIN MY ENDORSEMENT WHEN MY COURSEWORK AT THE IRC IS FINISHED?

If all coursework for was taken at the IRC or NLU, the process for requesting a bilingual/ESL endorsement begins with NLU's online form via the student portal. Please go to <https://www.nl.edu/licensure/instructions/> You should NOT apply directly to ELIS for the Endorsement. Any student who applies directly to ISBE will have to wait significantly longer (usually 5-6 months) for a transcript review to get the Endorsement added.

11. WHAT IF I HAVE TAKEN SOME OF THE ESL AND/OR BILINGUAL COURSES AT ANOTHER UNIVERSITY?

If you have taken courses with another university, you must verify this coursework with ISBE. NLU cannot recommend for Endorsement, courses taken at other institutions. To find out if non-NLU coursework has met a state requirement, you have the following options:

1. Contact the prior university to find out which Endorsement requirements have been met.
2. Apply for the Endorsement in ELIS and ISBE will send you a list of deficiencies. With this information, NLU/IRC can work with you to determine the remaining required courses needed for the Endorsement.

12. HOW DO I EARN THE REQUIRED 100 CLINICAL HOURS FOR THE ENDORSEMENT(S)?

For each course, you will earn 20 clinical hours. Instructors may incorporate the clinical hours differently; some examples of possible assignments include: interviews, practicing lessons, visiting cultural museums, surveying the EL population in schools, etc. Clinical hours cannot be waived, and all students must participate. If a student is not currently teaching, the instructor will provide options to earn the required clinical hours.
